There is a size and width for every woman's foot—the sale was planned on that basis.

We are so enthusiastic over the sale we have planned for you that we can hardly wait until the store opens at 8:30 in the morning to show you the shoes. Every pair is a beauty—and such qualities. Why, all our shoe salespeople have remarked: "Surely we can't afford to sell those shoes at such low prices." You will say the same when you see the lots. This is an unusual event for that very reason, but every pair came to us at an exceptional price, and you, in turn, receive the benefit. It is a shoe sale you cannot afford to miss.
